Small Scale Scenery

English Buildings

SSS-8006 - English Village Houses

Twenty random English village houses.
There are 20 different models, we can't guarantee that you won't get any duplicates but we'll try to keep them to a minimum.

SSS-8007 - English Churches

Three church bodies (one of each design) and three random towers (from a selection of nine). All of the towers fit any of the bodies to allow lots of variations.

SSS-8041 - Large English Church

A larger church model with three different tower types (one model supplied randomly).

SSS-8011 - Agricultural Buildings

Farmhouses, barns, windmills, oast houses and other buildings to make a bucolic English landscape.

SSS-8012 - Terraced Houses

Sixteen assorted terraces - ideal to go with the factories so that the workers have somewhere to live.

SSS-8022 - English Town Shops

Twenty town shops.
There are 20 different models, we can't guarantee that you won't get any duplicates but we'll try to keep them to a minimum.

Industrial Buildings

SSS-8010 - Industrial Buildings

A selection of factories, workshops and other Victorian era industrial buildings.

SSS-8030 - Power Station

A late C.19th-era power station, complete with sheds and outbuildings, coal barges, cranes and tug-boat.

Railway Track and Buildings

SSS-8023 - Railway Track

10 x Straight
10 x Curve
2 x LH points
2 x RH Points

SSS-8024 - Railway Buildings

Includes platforms (with track), two small stations, waiting rooms, engine sheds, signal box, water tower, coaling station and loading bay with ramp.

Middle Eastern Buildings

SSS-8014 - Middle-Eastern Village

Eighteen random middle-eastern buildings, plus one small two-piece mosque. We can't guarantee that you won't get any duplicates but we'll try to keep them to a minimum.

SSS-8015 - Mosques

One single- and one double-minaret mosque

Mediterranean Buildings

SSS-8019 - Mediterranean Village

Twenty Mediterranean village houses.
There are 20 different models, we can't guarantee that you won't get any duplicates but we'll try to keep them to a minimum.

French Buildings**SSS-8033 - Normandy Village**

Twenty assorted village houses and agricultural buildings based on real-world prototypes in Normandy.

SSS-8034 - Normandy Churches

Three churches, including the famous ones at St Mere Eglise and Benouville plus another smaller generic church. Set also includes a Mairie (town hall) based on the one at Benouville.

American Buildings**SSS-8050 - ACW Buildings**

Twenty assorted rural houses, farms and barns

Miscellaneous**SSS-8013 - Poplar Trees**

A collection of 36 poplar tree skeletons - just paint and add flock
